

Consent Form – Hearing Screenings In Partnership with New Wave Hearing Solutions

Thursday 21 September 2017

Dear Parents

We have arranged for a hearing test of the main speech frequencies to be made available to all WISS students. Mr Petter Buvik Vibe, a Norwegian audiologist, and Mr. Daniel Marcin Balicki, a Polish audiologist, will be in school on Tuesday 10th October to carry out screenings. By screening students, specialists are able to identify any difficulties that a child is having and then follow up with a solution on how to help correct or address these difficulties.

The cost of the screening is **200 RMB**. This cost includes a free follow up screening and audiology report, if needed. **Please note, no set appointment date or time will be allocated to your child.**

When your child has been screened, the results will be sent home with your child.

If you wish your child’s hearing to be tested, please complete the permission form below. Once complete please return it to your child’s school office or return to the school office via your child’s class teacher. Please include the cost of the screening (200 RMB) with the completed form in an envelope marked “Hearing Screening”.

Kind Regards

Fiona Morris
